Completion of the Share Transfer and Change of Company Name

We are pleased to announce that the transfer of the 100% share of Hitachi Via Mechanics (the “Company”) from Hitachi, Ltd to the Longreach Group has been completed, according to the share transfer agreement which was entered into between the LVM Holdings LLC and Hitachi, Ltd on the 21<sup>st</sup> August, 2013, as previously announced. Effective today, the LVM Holdings LLC becomes the sole owner of the Company and in accordance with this owner change, the Company and Company’s overseas subsidiaries changed their names as follows.

With support from the Longreach Group, the new shareholder, the company will reinforce their Printed Wiring Board Mechanical Drilling Machines, Laser Drilling Machines and Exposure Machines businesses that have been developed over years thanks to all our customers’ extraordinary favor and support, and will also accelerate its expansion in global markets. Thus, the Company will pursue sustainable growth and progress as the world’s leading Printed Wiring Board processing machine even in a fast moving business environment.

Going forward, we will continue our efforts to offer optimal products and services that the Company has provided to date, and to provide more value to our customers.

We appreciate your continued support to our business.
